

# Calling ALL Mini owners to join us on Sunday October 31st 2010 for Mile of Minis on the Lake

On Sunday October 31st 2010 the Italian Job is aiming to form a truly spectacular **'Mile of Minis on the Lake'** at Dorney Lake in Berkshire... and we'd love you and your Mini to join us.

Starting nice and early from the Mini factory in Oxford, teams will follow instructions in their specially devised route book which will ultimately lead them to Dorney Lake, the venue of the 2012 Olympic Rowing competition.

The route will take you on a lovely amble through the countryside of Oxfordshire and into Berkshire. You will be asked to gather some photographic evidence along the

route - just so we can be sure you stuck to it and didn't slip into GPS mode... so remember to pack a camera... it might come in handy!

Upon arrival at Dorney Lake, marshals will be on hand to direct and park all Minis.

Full instructions, timings and final itinerary will be circulated to all participants by no later than October 22nd 2010.

**'Mile of Minis on the Lake'** is open to all Minis of any age, shape, size or colour. However, only Minis which have pre-registered will be able to participate and gain access to the venues.

The cost for a Mini and up to 4 people is only £20.00. The aim of this event - over and above forming a **'Mile of Minis on the Lake'** - is to raise a few pounds for our nominated children's charities. A sponsorship form will be sent to all entrants and all we ask is that you do you very best to raise £30.00.

To enter, please complete this form and return it to us at the address below or call us on (01273) 418100 we can take your details over the phone.

We hope you can make it, we look forward to seeing you on the day for what promises to be lots of fun!
